PLME-3011 and PLME 9015 Portable Metal Engravers

To order, call 011 036 6062 or 021 839 5594
Delivery ex Johannesburg or Cape Town (Delivery up to 14 days)

Now there is no reason not to buy a high-quality, feature-rich, small but powerful portable metal engraver. The PLME-3011 and PLME-9015 are perfect for marking large and small work pieces such as valves, plaques, machinery and more, whether it be for safety or security reasons, or for professional serial number marking. Used for quick applications or in confined spaces, both are suitable for high speed marking. QR Codes can also be engraved, and both can be used with your own PC with various file formats supported.
