Manual Glass Bottle Cutter

This professional bottle cutter was created to make a better wine and beer bottle cutting experience. Our glass bottle cutter is designed to increase the success rate of perfect cuts.

The stand features a wooden base with strong gripping rubber feet to prevent sliding, sturdy rollers, a long-lasting cutter blade, and an adjustable back brace which can be flipped around for short or long cuts. Don't throw glass bottles away, make money from them!

Turn waste bottles into valuable gifts or nicknacks such as candles, decorative vases, bottle art, candle stick holders, cups, flower pots,
